

Parasite of the Year

Auditions for the role as Parasite of the Year!

Scheduled to lunchtime, 25. October, Grieg Hall, Norway

Each parasite gets 3 minutes to present itself.

Individual presentations. Add role-play if you feel comfortable doing so. Free choice of parasite.

Humor is advisable. (Nearly) everything that increases the probability that your parasite will be remembered is allowed.

Choose your parasite, do the research and prepare your audition!

Each presentation should answer the following questions:

- Who is the parasite?
- Who is the host?
- An overview of the life cycle – not detailed!
- Why is your parasite the best choice for Parasite of the Year?

Credits are given the parasite (student) for:

- Originality
- Empathy with the parasite's life cycle
- Learning outcomes for fellow students

Jury:

Three students will judge the audition. The jury rates the performance on a scale ranging from 0 to 10.

Maximum score is 30 points.
